

## A Three-Day International Workshop on Critical Editions of Śaivāgama Texts

This three-day workshop under Project Maheśa aims to bring together scholars, researchers, and practitioners to collaboratively work towards the creation of reliable critical editions of Śaivāgamas and to provide participants with a comprehensive understanding of critical edition principles, methods, and practical applications, especially those of the Śaiva Mūlāgamas.

- **Engaging Session**
- Practical experience in reading, collation & editing
